## Sales Tax

Rabin Worldwide is required by law to collect the applicable sales tax on all items sold unless at the time of purchase the buyer provides the appropriate resale certificate, properly completed, together with some identification which proves the individual is in the business of buying and selling such merchandise within the state.

Sales tax will be refunded to out of state buyers when one of the following is provided:

Dealers must provide a properly executed bill of lading showing shipment by a third party carrier to an out-of-state location, designating Rabin Worldwide as the shipper accompanied with a properly completed resale certificate from their state, together with some identification which proves the individual is in the business of buying and selling such merchandise within that particular state.

Where the state allows exemption from sales tax for buyers who runs a manufacturing business which is known to make use of the kind of equipment being purchased, the buyers must also provide proof that the items will be used for manufacturing within the particular state, and a properly executed bill of lading

showing shipment by a third party carrier to an out-of-state location, designating Rabin Worldwide as the shipper.

Out of state buyers who are taxable in their state, must show proof that payment of sales tax was made on the merchandise purchased and a properly executed bill of lading showing shipment by a third party carrier to an out-of-state location, designating Rabin Worldwide as the shipper.

As designated shipper, Rabin Worldwide is not responsible for any damages to shipment in-transit or any other expenses related to the shipping.

Buyers from the State of California must provide resale exemption number at the time of purchase to avoid paying California sales tax.

Equipment being used within California is subject to California Use Tax which must be collected at the time of purchase, regardless of the state of purchase.

Without appropriate paperwork, all sales tax must be collected at the time of purchase. However, sales tax will be refunded in full at such time as proper documentation has been provided to the auctioneer.

## Cash Payment of \$10,000 or Greater

For any purchase paid in cash, with a value of \$10,000 or greater, the buyer is required to complete United States Treasury Department form number 8300. These forms are available from the auctioneer and must be completed and returned to the auctioneer at the time of purchase.

The items in this catalog will be sold by a licensed auctioneer, in accordance with local laws governing public auctions, and according to posted "Terms of Sale". Anyone else soliciting merchandise that is not listed in this catalog will be asked to leave the premises

# TERMS AND CONDITIONS OF SALE

**These Terms and Conditions of Sale (“Sale Terms”) govern all items which are offered for sale by RABIN WORLDWIDE, INC. (“Rabin Worldwide”) and any of its employees, agents, designees, affiliates, joint venture partners, and co-auctioneers (together with Rabin Worldwide, collectively, “RABIN”) to a buyer (the “Buyer”) of any machinery, equipment or other personal property items offered by RABIN and purchased by Buyer (collectively, the “Purchased Items”). The owner of the items upon which Buyer will be bidding may be owned either by Rabin or by another entity who has retained RABIN to sell such items (the “Owner”). RABIN reserves the right to modify these Sale Terms at any time and any such modification shall become part of these Sale Terms. By registering at the auction, onsite or online, the Buyer agrees that it has read and fully understands these Sale Terms and agrees to be bound by these Sale Terms.**

**1. Payment.** If Buyer is the winning bidder for the Purchased Items, full payment of the purchase price for the Purchased Items due to RABIN (the “Purchase Price”), must be made in United States Dollars, and must be made on the day of sale as set forth in the invoice sent to Buyer at the end of the auction (the “Invoice”). Payment is due and payable in cash, by cashier’s check, wire transfer, company check, VISA, MasterCard, or American Express credit card payable to Rabin Worldwide. For any Purchased Items paid in cash with a value of \$10,000 or greater, Buyer is required to complete United States Treasury Form Number 8300 and return it to RABIN at the time of purchase. Buyer shall pay RABIN a late penalty on all amounts over 30 days past due computed at the greater of (i) 18% per annum, and (ii) the maximum rate permitted by applicable California law. If Buyer fails to pay the Purchase Price in accordance with these Sale Terms, Buyer agrees that it remains responsible for payment of the Purchase Price and RABIN shall have the right to commence all legal actions against Buyer for collection of the entire Purchase Price amount. Buyer shall also be liable for any and all costs and expenses incurred by RABIN arising out of or in connection with RABIN’s efforts to collect any unpaid amounts hereunder including, without limitation, attorney or collection agency fees and expenses. No

forbearance, indulgence, or delay by RABIN in taking any action hereunder shall be deemed a waiver of any rights of RABIN hereunder. Until RABIN has received payment in full of the Purchase Price, the Rigger Equipment Removal and Site Access Agreement executed by the rigger named therein, Rabin Worldwide, the owner of the Real Property and Buyer (the “Rigger Removal Agreement”), if applicable, and any other documents required by RABIN, Buyer shall have no right to dismantle or remove any of the Purchased Items from the real property located at the auction site (the “Real Property”).

**2. Taxes.** Prices do not include any federal, state or local taxes, which are in addition to the Purchase Price and must be paid by Buyer where applicable and may be added by RABIN to the Invoice unless Buyer furnishes RABIN with an acceptable tax exemption certificate. In addition, any and all foreign duties and taxes are also the responsibility of Buyer and Buyer hereby indemnifies and holds RABIN harmless from any and all claims, costs, expenses and liability incurred by RABIN resulting from Buyer’s failure to pay any foreign duties and taxes. If an acceptable tax exemption certificate is not submitted at the time of payment, Buyer may submit said exemption certificate within ten (10) business days to RABIN, and the tax originally paid will be refunded back to the Buyer. The failure of RABIN to include any such federal, state or local taxes does not excuse the Buyer from responsibility for paying any such taxes and Buyer hereby indemnifies and holds RABIN harmless from any and all claims, costs, expenses and liability incurred by RABIN resulting from Buyer’s failure to pay any federal, state or local taxes.

**3. Buyer’s Premium.** RABIN will charge and retain a non-negotiable buyer’s commission (“Buyer’s Premium”) on the proceeds of any sale based on the final and accepted bid for the Purchased Items. The Buyer’s Premium will be 15% for onsite bidders and 18% for online bidders. There will be an additional 4% handling charge on the total invoice for all credit card transactions. The Buyer’s Premium will be posted on the Real Property and announced prior to the auction.

**4. Title.** Title shall pass to Buyer upon the satisfactory completion of all of the following: (i) RABIN’s receipt of full payment for the Purchased Items in accordance with these Sale Terms; (ii) the Purchased Items have been removed from the Real Property in compliance with the Rigger Removal Agreement, if applicable; (iii) all damage,

# TERMS AND CONDITIONS OF SALE

if any, to the Real Property and to any other personal property located at the Real Property caused by removing the Purchased Items has been repaired to the satisfaction of RABIN and the owner of the Real Property; (iv) Buyer shall not be in breach of any of items set forth in these Sale Terms.

**5. INSPECTION. BUYER SHALL BE DEEMED TO HAVE RELIED ENTIRELY UPON ITS OWN INSPECTIONS AND INVESTIGATIONS OF ALL OF THE ITEMS UPON WHICH BUYER WILL BE BIDDING AND/OR PURCHASING. BUYER HEREBY ACKNOWLEDGES THAT BUYER AND BUYER'S AGENTS OR REPRESENTATIVES HAVE HAD THE OPPORTUNITY TO INSPECT, OR HAVE INSPECTED, ALL OF THE ITEMS UPON WHICH BUYER WILL BE BIDDING AND/OR PURCHASING. BUYER AGREES THAT BY SUBMITTING A BID FOR ANY ITEM, BUYER SHALL BE DEEMED TO HAVE INSPECTED ALL OF THE ITEMS UPON WHICH BUYER WILL BE BIDDING AND/OR PURCHASING. AFTER A SALE OF PURCHASED ITEMS HAS BEEN CONFIRMED, THE BUYER SHALL BE DEEMED TO HAVE INSPECTED ALL PURCHASED ITEMS AT THE TIME OF SALE CONFIRMATION.**

**6. Acceptance by Buyer.** Buyer agrees that its acceptance of the Purchased Items shall constitute an acknowledgment by Buyer that the Purchased Items satisfies any and all obligations of RABIN hereunder. Buyer may not revoke its acceptance for any reason whatsoever.

**7. Safety Standards.** Buyer expressly assumes all responsibility to obtain all safety equipment and to meet all applicable local, state federal and foreign laws, regulations and standards, including but not limited to laws relating to remediation, restoration or protection of the environment or natural resources, the storage, treatment, management, generation, transportation, or disposal of any toxic materials or waste material, whether hazardous or not, the conservation of natural resources and resource allocation or exposure of persons or property to Hazardous Materials ("Environmental Laws") in removing any of the Purchased Items. Buyer further agrees to comply with the Rigger Removal Agreement, if applicable.

**8. Removal of Purchased Items.** Purchased Items can only be removed from the Real Property within the removal time as announced at the sale and as indicated on the Invoice (the "Removal Deadline"). No Purchased

Items can be removed, segregated, or dismantled by Buyer before the conclusion of the auction. Prior to removal of any Purchased Items, the entire Invoice for all Purchased Items must be paid in full in order to gain access to the Real Property. Buyer must present a representative of RABIN with an original Invoice marked "PAID" and a fully executed Rigger Removal Agreement, if applicable.

**9. Failure to Remove Purchased Items/Bankruptcy.** If Purchased Items are not removed by the Removal Deadline (i) such Purchased Items will be deemed abandoned by the Buyer, (ii) Buyer shall forfeit all monies paid to RABIN for such Purchased Items, and (iii) Buyer shall forfeit any rights to such Purchased Items. In addition, Buyer shall be responsible for all damages suffered by RABIN, including, but not limited to, any dismantling, transportation, storage or other costs, including attorneys' fees and expenses incurred by RABIN as a consequence of Buyer's failure to remove such Purchased Items. Buyer hereby grants to RABIN a security interest in the Purchased Items to secure Buyer's obligation to remove the Purchased Items from the Real Property not later than the Removal Deadline and in compliance with the terms of the Rigger Removal Agreement, if applicable. Buyer hereby authorizes RABIN the right to file and/or record such documents and financing statements as are necessary or useful to perfect such security interest in the Purchased Items as provided in this Section 9, and Buyer shall execute and deliver to RABIN such documents as requested in connection therewith. In the event Buyer fails to remove the Purchased Items on or before the Removal Deadline, RABIN shall have the right to foreclose its security interest in the Purchased Items by a public or private sale in accordance with applicable law. In addition, in the event any one or more of the following shall occur, any and all obligations of RABIN hereunder, including without limitation, any obligations to Buyer in respect of the Purchased Items shall immediately terminate and without further action by RABIN: (a) Buyer files a voluntary petition in bankruptcy or a bankruptcy petition is filed against Buyer; (b) Buyer becomes insolvent or makes an assignment for the benefit of its creditors; or (c) Buyer discontinues its business or a receiver is appointed for Buyer or its business.

**10. Integration; Modifications.** Buyer acknowledges that these Sale Terms, the Invoice, the Rigger Removal Agreement, if applicable, a bill of sale, if applicable, and

# TERMS AND CONDITIONS OF SALE

all attachments and exhibits hereto and thereto, (a) are the only terms and conditions of sale for the Purchased Items, (b) are intended by the parties as a complete and exclusive statement of the terms of their agreement in respect of the Purchased Items, and (c) supersede all prior agreements, written or oral in respect of the auction and Purchased Items, except for any and all announcements made by the auctioneer on the day of the auction concerning the Sale Terms, which Buyer acknowledges and agrees to be bound. Any variation from the terms hereof contained in the Buyer's acceptance of the Purchased Items is hereby rejected.

**11. Auction Registration; Deposit.** To register for any live auction onsite, bidders must provide a refundable deposit in the amount determined by RABIN and either posted onsite or requested by a RABIN representative, in the form of cash, cashier's check, wire transfer, company check, VISA, MasterCard, or American Express credit card payable to Rabin Worldwide. To register for the online component of any live auction conducted by bidspotter.com, bidders will be required to submit a valid VISA, MasterCard, or American Express credit card and complete the online registration information. Whether onsite or online, RABIN reserves the right to request a refundable deposit or an increased deposit in an amount warranted by the value of the sale, but in no event greater than 25% of the Purchase Price, if Buyer is the successful bidder of the Purchased Items which shall be paid at the time Buyer becomes the winning bidder of the Purchased Items. If Buyer is the winning bidder for the Purchased Items, the refundable deposit set forth in this Section 11 shall become non-refundable and such amount together with the increased deposit set forth in the second sentence of this Section 11, shall be applied toward payment of the Purchase Price and the provisions of Section 1 will control. The credit card will not be charged except in the event of failure to pay.

**12. Online Bids.** RABIN will accept bids from Buyers who wish to bid, but cannot attend the auction. The bids must be placed online at [www.bidspotter.com](http://www.bidspotter.com). RABIN reserves the right to group one or more lots into one or more selling items or lots, or to add to or delete items or lots at its sole discretion. RABIN reserves the right to set the bidding increments. RABIN also reserves the right to reject any bid which is only a fractional advance over the preceding bid. Removal of Purchased Items shall be at the sole expense, risk and liability of the Buyer. In addition, all freight and insurance charges are the responsibility of Buyer unless otherwise agreed by RABIN and Buyer in writing.
